

ZENA

— PARTNER ECOSYSTEM
OF THE NEW GENERATION

A business model with transparent math, an institutional-grade investment stack, and a scalable career track inside the ecosystem.

ACTIVATION PASS

550\$

lifetime access

- ✓ Every new partner activates access to the ZENA ecosystem with a one-time \$550 contribution.
- ✓ This amount unlocks lifetime access to trading algorithms, analytics, education, and our partner program.

Activation Fee — \$550

Each activation fee is instantly distributed through the partner network as referral bonuses, with no limit on depth.

You earn every time a new partner joins the ecosystem.
Your income depends on your qualification level.

Rank-Differential Payout

YOU EARN NOT ONLY WHEN NEW PARTNERS JOIN, BUT ALSO FROM THEIR MONTHLY PROFITS IN THE SYSTEM.

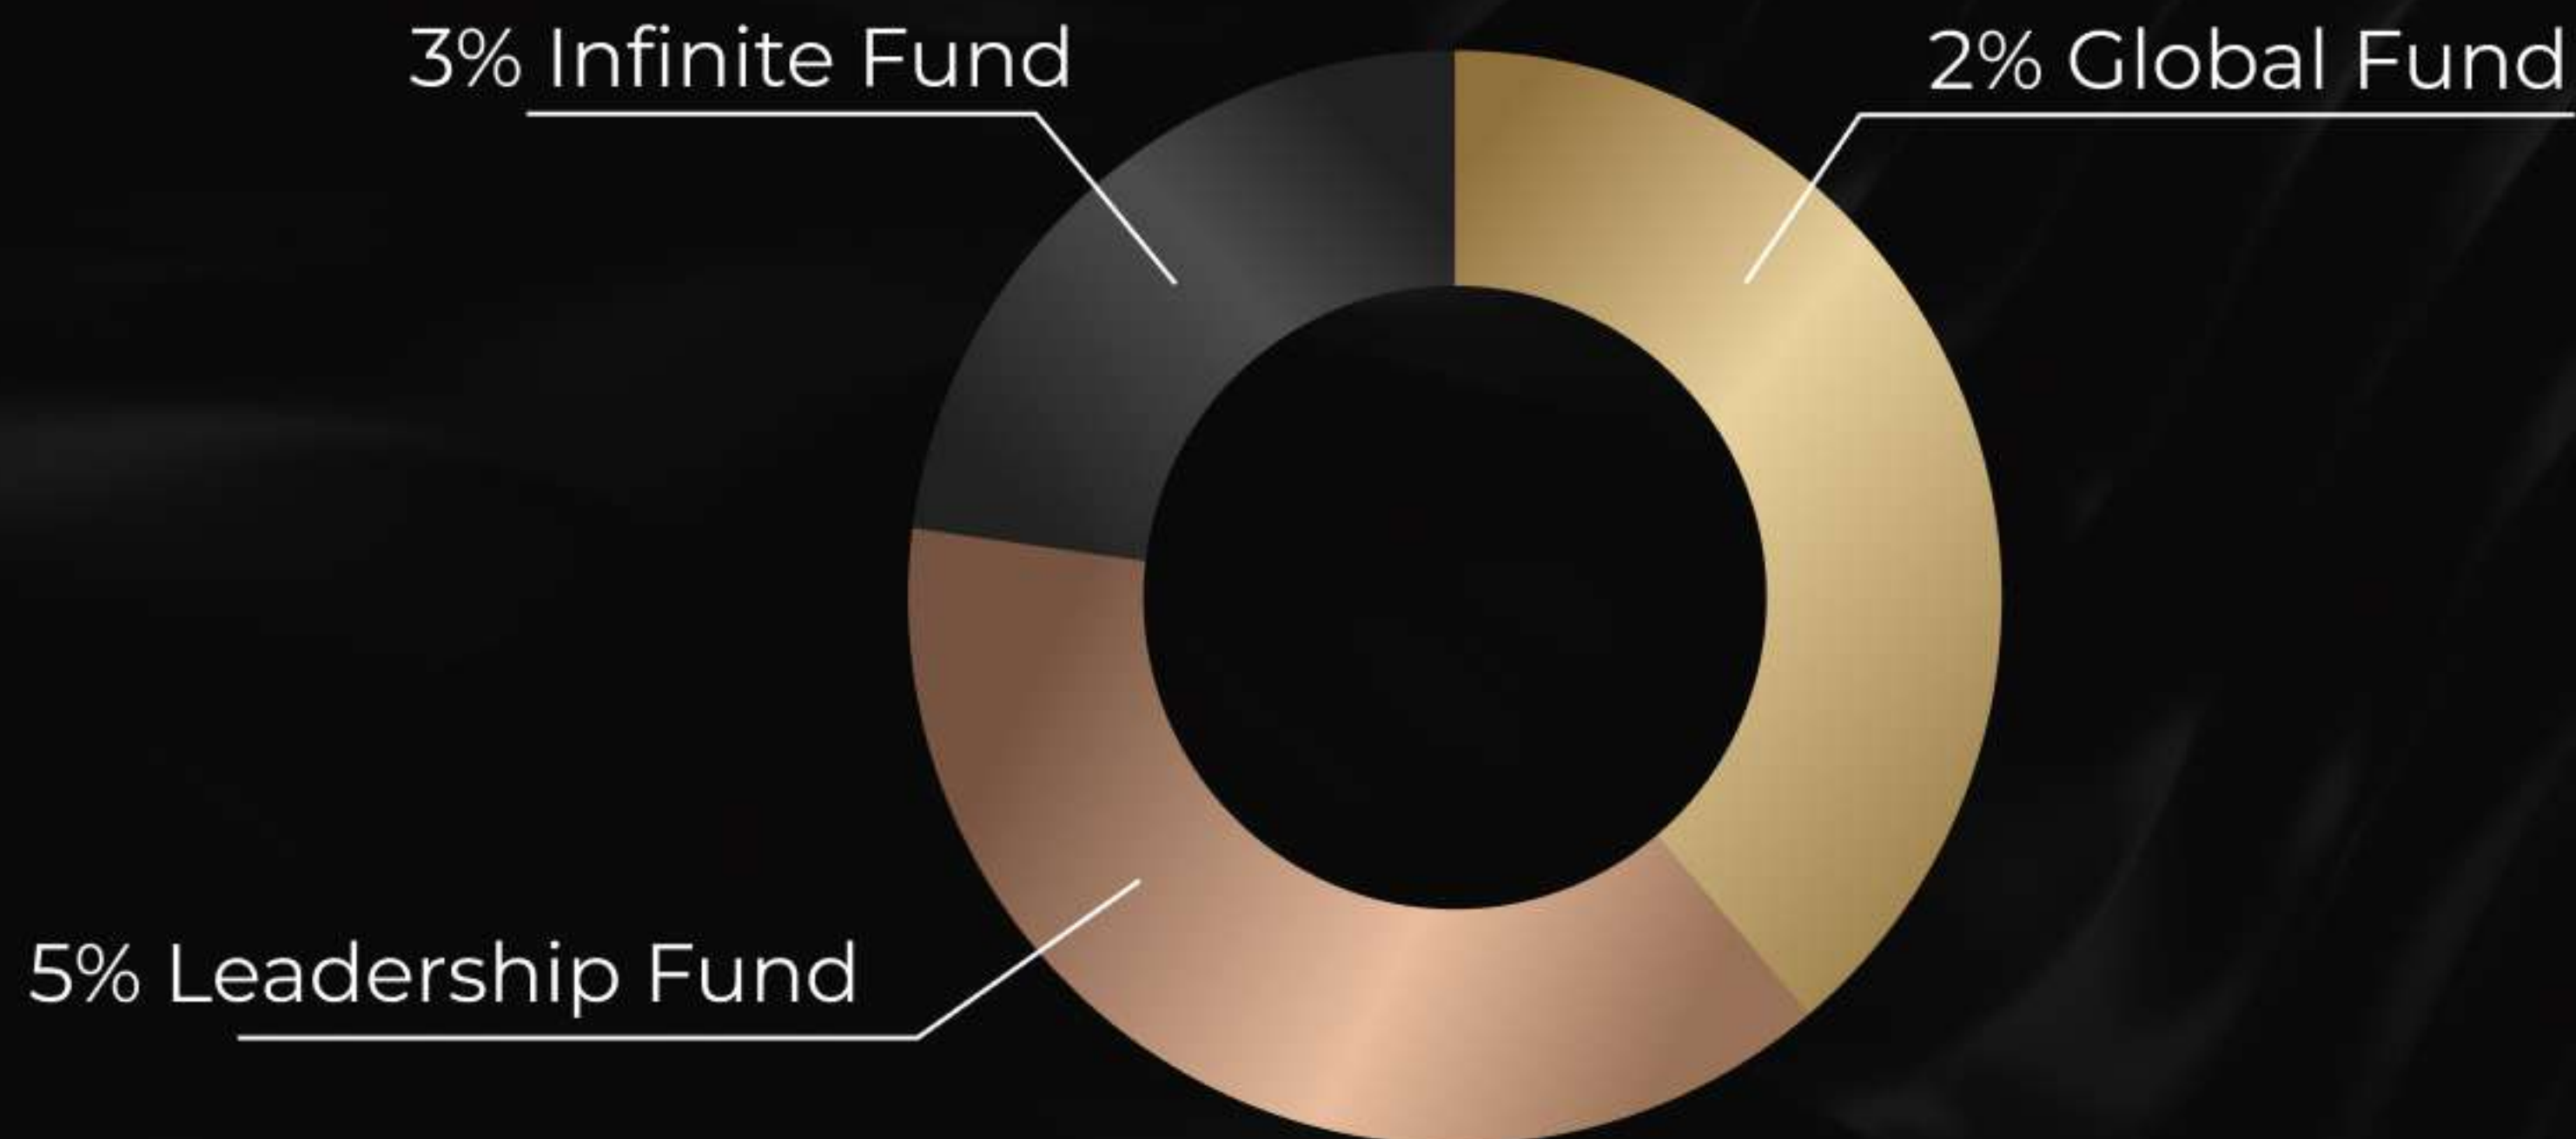

ZENA charges a 30% performance fee from each user's net realized profit. This fee is distributed automatically between all qualified partners.

Distribution structure:

20%	1st line
10%	2nd line
3%	3rd line
2%	4th line
2%	5th line

1st-4th of each month
(fully automated)

RANK & CAREER PROGRESSION

Each deposit and connection generates PV (performance value) points.

Status is recalculated monthly. The higher your rank — the greater your access to company funds and network rewards.
